

New Range Sony™ CCD Covert Cameras

TC480PIR - SuperHAD CCD Covert Pinhole Lens Camera

TC480PIR

- High Resolution >480TVL Pinhole Camera
- 1/3" Sony™ SuperHAD CCD Image Sensor
- Wide Angle 3mm Fixed Lens
- Vivid Image Capture @ 0.5 Lux F1.2
- Approx 71 Degree Angle of View
- Quick & Easy Installation & Set Up
- No Colour Rolling
- Integrated Operating Power Regulation
- PIR Housing Design

One of the quickest and easiest ways to achieve discreet image capture in both business and domestic environments. The high resolution Sony SuperHAD CCD Pinhole camera is housed in a standard PIR Alarm Sensor housing making it unobtrusive in most environments.

Ideal for use to monitor cash offices, Cash/ Till Transactions, Goods Inward/ Outwards or even to monitor Child Minders/ Nannys - the TC480PIR provides vivid clear image capture even in low-light conditions.
