

New Range Sony™ CCD Integrated IR Cameras

EB910 IR Dome Camera 3.6 & 6MM Lens Options

EB420-SR

High Quality Armoured Day Night Camera with 20 High Powered Integrated Infrared LEDs giving up to 20m image capture even in complete darkness.

Boasting a High Resolution 420TVL Sony 1/3" Day Night CCD, the EB910 offers superb image capture in all light conditions. During normal light, the camera operates as a high resolution colour camera and in low light, the camera's integrated photocell automatically activates the cameras IR LEDs and the camera automatically switches to black & white mode to produce crisp images even in complete darkness.

The unique design of the EB910 allows the camera to be mounted horizontally or vertically, while the camera aperture can be fully rotated 360° allowing simple and easy setup.

TECHNICAL SPECIFICATIONS

EB910-SR			
Image Sensor	1/3" Sony™ CCD	White Balance	Automatic
Horizontal Resolution	>420TVL	Gain Control	Automatic
Picture Element	PAL 752 x 582	Smear Effect	<0.005%
Synch System	Internal	LED Spectrum	810 ~850nms
Scanning System	2:1 Interlaced	IR Beam Range	10 ~20m
Video Output	1.0Vp ~p Composite 75Ohm	Power Source	12vDC 1A
Min. Illumination	0 LUX (LEDs ON)	Operating Current	450mA – w Reg. 12V In
S N Ratio	>52dB – AGC Off	Lens	3.6 & 6mm Option
Back Light Comp.	Automatic	Operating Temp.	14φ ^a F ~122φ ^a F
Shutter Speed	PAL 1/50 : 1/100,000	Humidity	Within 90% RH
Gamma Correction	R =0.45	Output Terminals	BNC & DC Jack
